Beer & Wine Permits are Available with Select Pavilion Rentals

Beer, wine and alcohol is prohibited in all City parks. However, an ordinance was passed in 2013 allowing beer/wine in the following restricted park areas by permit only in conjunction with a pavilion rental. These include: Palmer Park Hilltop Pavilion, Riverside Park North & South Pavilions, and Traxler Park Lions Pavilion and Warming House. Permit applications can be obtained at the Parks & Recreation office or at the City website: www.ci.janesville.wi.us/pavilions. These must be turned in 3 working days prior to rental. A \$50 fee is required.
